Striving for excellence, caring for all
Within a loving and caring Christian environment.

"Train up a child in the way he should go; even when he is old he will not depart from it." Proverbs 22:6

As a RRS (Rights Respecting School – UNICEF) this upholds the following articles from the UNCRC
(United Nations Convention on the Rights of the Child):
Article 29: Every child has the right to be the best they can

Our Vision

We are a community in which everyone is offered the opportunity to fulfil their full potential, to understand themselves and be valued for who they are. Through a stimulating and challenging learning environment, we pursue academic excellence and seek the flourishing of all. This is because we know we are all God's children.

"Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as you ever can."
John Wesley
