2nd June 2025

Dear Parent/Carer,

ENGINEERED IN BOURNE

We are very excited to announce that your child has been selected to take part in a fabulous event, called 'Engineered in Bourne' on the afternoon of **Wednesday 11th June 2025** which will be held in the Bourne Corn Exchange.

This very special event has been organised by Bourne Motor Racing Club (BMRC) in partnership with Silverstone Museum and is designed to raise interest and engagement in motor racing and STEM (Science, Technology, Engineering & Maths). During the event, your child will have the opportunity to understand how racing cars are built and explore 'hands on' technology from the world of Formula 1. The town of Bourne holds significant historical importance in Formula 1 and was home to Britain's first ever World Championship Formula 1 team.

We will be walking the children to and from the Bourne Corn Exchange and will return before the end of the school day. We would be grateful if you would ensure that they have applied sun-cream before coming to school and bring with them a sun hat and a coat in case of rain. Please also make sure that they have suitable footwear.

If you have any queries, please do not hesitate to contact myself or the front office.

We are very much looking forward to a very exciting afternoon at this wonderful event.

Your sincerely

Mrs L Jordan
Head of School
