

Bourne Elsea Park Church of England Primary Academy

You're invited to a

Phonics Information Session

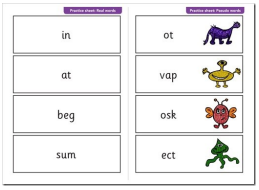
On Wednesday 8th October

at 9.10 a.m. in the School Hall

Phonics is an important tool to help children decode books and we want to work in partnership with you to support your child's skills and enjoyment in reading.

During the session the Year 1 team will be delighted to share with you:

- how we teach phonics in school
- what you can be doing at home to help your child with their reading
- what is involved in the Phonics Check and when it takes place



Access to school will be via the outside door to the school hall.

The gates will be open from 8.45 a.m. and closed at 9.10 a.m.
