10th September 2025

Dear Parents and Carers,

GOLDEN BOOK COLLECTIVE WORSHIP

I am delighted to share some exciting news about our Golden Book Collective Worship.

From this term onwards, Golden Book will now take place on **Friday afternoons at 2.45 p.m**. This change has been made in response to parental feedback and will give more families the chance to join us in celebrating the wonderful achievements of our children.

We know how special these moments are, and we are thrilled to be able to make it easier for you to be part of them. Gathering together on a Friday afternoon will be a joyful way to end the week, shining a spotlight on the children's hard work, kindness, and successes. It will be the perfect opportunity to celebrate all they have accomplished before heading into the weekend.

Invitations will be sent home on Thursday afternoons for the following Friday's Golden Book, giving you time to plan ahead and share in the celebrations with us. The first invitations will be sent on **Thursday 11th September** in readiness for the first Golden Book to be held on **Friday 19th September.**

Please note that access to the school car park is for **staff, visitors and Blue Badge holders only**. We kindly ask all other parents and carers to make alternative arrangements when attending.

As always, our Reception children will not take part in Golden Book during the Autumn Term but we look forward to them joining us from the Spring Term onwards.

Thank you for your continued support. We can't wait to welcome many of you on Friday afternoons to celebrate the achievements of our wonderful children.

With warmest wishes,

Mrs L Jordan
Headteacher
