Dear Parents/Carers,

LINCOLNSHIRE STAY SAFE PARTNERSHIP – 'YEAR 6- ONLINE SAFETY'
MONDAY 8TH DECEMBER 2025

We are pleased to let you know that our Year 6 pupils will take part in an *Online Safety* workshop on Monday, 8th December, led by the Lincolnshire Stay Safe Partnership. This interactive workshop will be looking at social media and transition to secondary school.

What is the workshop about?
During the session, children will take part in a range of engaging activities to help them understand:

- how social media content can negatively impact on our identity and self-esteem
- how to be better prepared for the transition to secondary school
- what content is appropriate to share and what content may impact on their social and emotional wellbeing
- understand ways of safeguarding ourselves on social media

Why is it important?
The workshop will help children understand how to stay safe on social media and recognise that not everything online is real. It will also explore the uses of AI, including its ability to generate images.

This is a fantastic opportunity for our pupils to develop their awareness in a safe and structured environment.

If you have any questions or concerns about the content of the workshop, please do not hesitate to speak to your child's class teacher.

Thank you for your support.

Yours sincerely,

The Year 6 and E-Safety Team
