Year 5 - Terms 1 and 2

WORKHOUSES & WONDERS

What a way to start our Year 5 journey!
Step back in time to the fascinating world of the Victorians – a time of incredible inventions, remarkable discoveries and some truly shocking secrets!

Exhilirating English

This year, we are excited to begin using Grammarsaurus resources to support our learning in punctuation and grammar. Children will develop their understanding of a range of grammatical skills and learn how to apply them accurately and effectively in their writing. We will put these skills into practice through Victorian-themed non-chronological reports and recounts, linked directly to our Whole Class Reading texts, Cogheart and Street Child.

Magical Maths

This term we will be focusing on number and place value including addition and subtraction. In term 2, we will focus on multiplication, division and fractions. Please continue practising your times tables at speed using the Times Table Rockk Stars app.

This term's Christian Value is Respect.
Our Bible story for this term is Jesus and the Temple.
This term's Character Education Trait is Motivation.

Throughout our R.E. work this year, we will explore the key concepts of Expression, Experiences and the Senses. With a focus on the Key Questions:
How do people express their beliefs through worship and caring for others?
How do people use their senses during worship?

Need to know

Our PE lessons will be on Thursdays
Please ensure your child has their full P.E kit everyday.

5W will swim on Wednesday mornings. Please ensure your child arrives to school swim ready and has a bag with a towel and underwear.

All children have received a homework grid. Homework will be marked on Fridays.

Important Dates!
