Every Child Matters

## POLICY

For

**Educational Visits**

Amended

September 2020 (new)		
September 2021		

**Striving for Excellence Whilst Caring for All  
Within a Loving and Caring Christian Environment**

*'Therefore encourage one another and build each other up, just as in fact you are doing.'* 1 Thessalonians 5:11

As a RRS (Rights Respecting School – UNICEF) this policy upholds the following articles from the UNCRC (United Nations Convention on the Rights of the Child):

Article 2: Everyone has equal rights whatever their race, religion, ability, whatever they think or say or whatever their family.

Article 3 The best interests of the child must be as top priority in all actions concerning children.

Article 28: Every child has the right to an education.

Article 29: Every child has the right to be the best they can.

## Context

All educational visits will be reviewed and plans amended in line with the DfE, Government, Public Health England and Local Authority guidelines and directives in place at the time of the visit or at the point at which it is necessary to make a decision regarding future cancellations.

We believe that educational visits are an integral part of the entitlement of every pupil to an effective and balanced curriculum. Appropriately planned visits are known to enhance learning and improve attainment, and so form a key part of what makes Abbey Academies Trust a supportive and effective learning environment. The benefits to pupils of taking part in visits and learning outside the classroom include, but are not limited to:

- Improvements in their ability to cope with change
- Greater sense of independence
- Increased critical curiosity and resilience
- Opportunities for creativity, developing learning relationships and practicing strategic awareness
- Increased levels of trust and opportunities to examine the concept of trust (us in them, them in us, them in themselves, them in each other)
- Improved achievement and attainment across a range of curricular subjects. Pupils are active participants not passive consumers, and a wide range of learning styles can flourish
- Enhanced opportunities for 'real world' 'learning in context' and the development of the social and emotional aspects of intelligence
- Increased risk management skills through opportunities for involvement in practical risk-benefit decisions in a range of contexts i.e. encouraging pupils to become more risk aware as opposed to risk averse.
- Greater sense of personal responsibility
- Possibilities for genuine team working including enhanced communication skills
- Improved environmental appreciation, knowledge, awareness and understanding of a variety of environments
- Improved awareness and knowledge of the importance and practices of sustainability
- Physical skill acquisition and the development of a fit and healthy lifestyle

# Application

Any visit that leaves the school grounds is covered by this policy, whether as part of the curriculum, during school time, or outside the normal school day.

In addition to this Educational Visits Policy, Abbey Academies Trust:

1. Adopts National Guidance [www.oeapng.info](http://www.oeapng.info) (as recommended by the LA).
2. Uses EVOLVE, the web-based planning, notification, approval, monitoring and communication system for off-site activities.

All staff are required to plan and execute visits in line with this school policy, Local Authority policy, and National Guidelines. Staff are particularly directed to be familiar with the roles and responsibilities outlined within the guidance.

## Types of Visit & Approval

There are three 'types' of visit:

- 1. Visits/activities within the 'School Learning Area' that are part of the normal curriculum and take place during the normal school day.**  
These follow the 'School Learning Area' Operating Procedure (Appendix 1).
- 2. Other non-residential visits within the UK that do not involve an adventurous activity e.g. visits to museums, farms, theme parks, theatres, etc.**  
These are entered on EVOLVE by the visit leader and submitted to the EVC for checking. The EVC then submits to the Head of School for approval (BAPA and Colsterworth). At Bourne Elsea Park the EVC is also the Head of School.
- 3. Visits that are overseas, residential, or involve an adventurous activity.**  
These follow 2 above, but the Head of School then submits the visit to the LA for approval.

## Roles and responsibilities

**Visit leaders** are responsible for the planning of their visits, and for entering these on EVOLVE (where required). They should obtain outline permission for a visit from the Head of School or EVC prior to planning, and before making any commitments. Visit leaders have responsibility for ensuring that their visits will comply with all relevant guidance and requirements, and should seek advice from the EVC where necessary.

**The Educational Visits Coordinator (EVC) is:**

- BAPA – Jill Bates, Executive Administrator
- BEPPA – Peter Bellamy, Acting Head of School
- CSW – Louise Jordan, Assistant Head and Stephanie Cornish, HLTA

The EVC will support and challenge colleagues over visits and learning outside the classroom (LOtC) activities. The EVC is the first point of contact for advice on visit related matters, and will check final visit plans on EVOLVE before submitting them to the Head of School or LA as appropriate. The EVC sets up and manages the staff accounts on EVOLVE, and uploads generic school documents, etc.

**The Head of School/Executive Headteacher** has responsibility for authorising all visits and for submitting those that are overseas, residential or adventurous to the LA for approval.

**The Trust Board/Local Governing Body's** role is to 'enable and ensure', sometimes described as being a 'critical friend'. Individual governors may be given 'read-only' access to EVOLVE. It is vital that there is a close and supportive but challenging relationship with the Head of School/Executive Headteacher.

The Trust Board is also the employer and should therefore provide to guidance, training and access to advice.

**The Local Authority** is responsible for the final approval (via EVOLVE) of all visits that are either overseas, residential, and/or involve an adventurous activity.

## Staff Competence

We recognise that staff competence is the single most important factor in the safe management of visits, and so we support staff in developing their competence in the following ways:

- An apprenticeship system, where staff new to visits assist and work alongside experienced visit leaders before taking on a leadership role
- Supervision by senior staff on some educational visits
- Support for staff to attend training courses relevant to their role, where necessary

In deciding whether a member of staff is competent to be a visit leader, the Head of School/Executive Headteacher will take into account the following factors:

- Relevant experience
- Previous relevant training
- The prospective leader's ability to make dynamic risk management judgements, and take charge in the event of an emergency
- Knowledge of the pupils, the venue, and the activities to be undertaken

## Emergency procedures

A critical incident is any incident where events go beyond the normal coping mechanisms and experience of the visit leadership team.

The school has an emergency plan in place to deal with a critical incident during a visit (Appendix 2). Copies of the Trust's full emergency plan are held in the school office and by each member of the Emergency Management Team. All staff on visits are familiar with this plan and it is tested at least bi-annually and following any major staffing changes.

When an incident overwhelms the establishment's emergency response capability, or where it involves serious injury or fatality, or where it is likely to attract media attention then assistance will be sought from the local authority.

## Educational Visits Checklist

Abbey Academies Trust's Educational Visits Checklist forms part of the risk management process for visits and off-site activities, and may be downloaded from EVOLVE Resources. This has been adapted from the LA's generic checklist. A visit should only go ahead if the answer to all relevant questions is 'YES' (Appendix 3).

## Parental Consent

Consent for off-site activities is obtained through the Trust's multi-purpose consent form and recorded on Integris. Forms will be re-issued to parents/carers on an annual basis to allow them to update consents.

The form asks for consent for supervised:

- visits to local destinations away from the main school site
- one-day non-residential visits within the UK
- off-site activities (for example, sporting fixtures)

Specific, (i.e. one-off), parental consent must be obtained for all other visits. For these visits, sufficient information must be made available to parents (via EVOLVE, letters, meetings, etc.), so that consent is given on a 'fully informed' basis. As above, parents/carers have the option of consenting through a paper consent form.

## **Inclusion**

In fulfilling our legal obligations, we are guided by the following principles:

- All children are of equal value
- We recognise and respect difference
- We foster positive attitudes and relationships, and a shared sense of cohesion and belonging
- We aim to reduce and remove inequalities and barriers that already exist
- We consult and involve widely

## **Charging / funding for visits**

We comply with the law and follow DfE guidance in respect of charging for off-site activities.

## **Transport**

### **Coach/Minibus**

Transport via coach/ minibus will be through reliable experienced providers. New companies will need to provide up to date insurance documents, vehicle MOT and licence information. The vehicle will be checked by school staff to ensure seat belts are in full working order before children are seated.

Rules for all coach/minibus travel:

- All children will be supervised by at least two members of school staff while travelling
- Before being seated on the bus children will all be reminded of safety instructions:
  - children to be seated facing forwards
  - seatbelts to be worn
  - noise to be kept to a minimum
  - children not to interfere with emergency exits
  - children to remain seated and follow teacher instructions when bus arrives at location/ in case of emergency
- When embarking the bus children will be counted on by a member of staff
- Unless absolutely necessary children should not be seated directly behind the driver, by the front door of the bus or in the toilet gap
- All seatbelts should be fitted correctly (without twists) and checked by the lead member of staff before the bus departs
- Members of staff to supervise children throughout the journey to ensure they are seated correctly and belts are worn
- If a child is ill or distressed during a journey their seatbelt should only be removed and the child moved when the bus is stationary
- When disembarking, staff will supervise children to ensure they can disembark safely
- In case of emergency children will remain seated while it is safe to do so and be removed from the coach to a safe location with members of staff when necessary

### **Parent/Carer Transport**

For some visits and events parents/carers may be asked to support with transport. This may involve some parents/carers providing lifts for children other than their own.

- Parent/carers permission of the child(ren) being transported must be sought
- Parents/carers who are driving will be asked to complete the appropriate private car form (Appendix 4)
- The Trust's usual safeguarding checks will be undertaken

## **Use of Staff Cars to Transport Pupils**

Staff vehicles should not be used as a form of transport unless all other forms are unavailable or in an emergency situation. In such a situation the following guidelines must be followed:

- Parental permission must be gained for child(ren) to be transported by staff
- Checks must be carried out to confirm valid insurance (including business level), MOT and driving license are held. It is the Trust's normal policy to take out occasional business use insurance for staff
- The car being used must be checked to ensure it is in a fit state to travel and all seat belts are working
- Children should travel in the rear of the car using appropriate car seats for their age, weight and height

## **Insurance**

The Trust buys into the DfE's Risk Protection Arrangements for insurance purposes.

## **Swimming Lessons**

All usual routines for visits will be followed for swimming lessons taking into account the method of transport (walking or coach travel). Particular attention should be paid to ensuring that the adult : pupil ratio is appropriate to provide effective supervision. Volunteers should only be used to help supervise changing rooms if absolutely necessary and then only if they have full enhanced DBS Disclosure and Barred List check.

## **Dismissal of pupils after evening activities**

If children are to be collected from a venue other than school and/or after the end of the normal school day, staff should supervise them until parents/carers or a designated person have collected. Children are not permitted to walk home on their own except those in Years 5 and 6 during Terms 1, 4, 5, & 6 and only with express permission from their parent/carer.

4. For activities that take place outside normal school hours, the visit leadership team and the emergency contact/s will be aware of any relevant medical information and emergency contact information for all participants, including staff
5. The visit leader/s and the base contact/s know to request support from the local authority in the event that an incident overwhelms the establishment's emergency response capability, involves serious injury or fatality, or where it is likely to attract media attention
6. For visits that take place outside the School Learning Area, the visit leader will carry either:
  - a. An LA Emergency 'Card' (see EVOLVE Resources), or
  - b. An OEAP National Guidance Emergency action card (*Available via [www.oeap.info](http://www.oeap.info)*)
7. This Emergency Procedure is tested through both desk top exercises and periodic scenario calls from visit leaders
8. Copies of the full Emergency Plan for each school is held by each member of the Emergency Management Team and a copy can be found in each school office
