

Medication

As a school we understand that there are times when a child needs to be given medicine during the school day. Where possible we would encourage parents/carers to come in to school to administer such medicines personally. Where this is not possible staff may administer the medicine for you on completion of the appropriate documentation. All medicine must be in the original packaging and the appropriate spoon or syringe should be provided. Please speak to a member of staff for more information.

Please note that medication cannot be administered without prior discussion.

Wellbeing

The health and wellbeing of our school community is very important to us, and since returning in September, our children have settled in fabulously. For those who have needed extra support Mrs Friel and Mrs Campbell, our trained mental health and wellbeing first aiders, have been on hand with useful tips, activities and 1:1 support.

Nut Allergy

We have children in school who have a severe nut allergy.

For the safety of all concerned I should therefore like to remind you that packed lunches must not include items such as peanut butter or snack bars including nuts.

Name Labels

The children are all looking very smart. We do appreciate that many parents/carers will have spent considerable amounts providing new items for the start of the year.

Please do ensure that everything is clearly labelled with your child's name.

FLU VACCINATIONS

Tuesday 24th November

There is still time to give your consent for the flu vaccine. Please use the link below along with the code:

<https://www.lincolnshireimmunisations.co.uk/>

Code: EE140214

Last Day of Term

Thursday 22nd October at 3.15 p.m.

School re-opens on
