Year 1 Summer Term
Paddington's Adventures!

Things to remember:

- Our door is always open. Please come and speak to us about any worries you may have.
- Books and diaries in school each day.
- PE is on Wednesdays and Fridays.
- Reading books are changed on Fridays.
- Please label all items of clothing clearly.

How can I help at home?

Maths – Counting to 100, counting in 2s, 5s and 10s, understanding coins and their value, telling the time to o'clock and half past the hour

English – Writing short simple sentences that starts with a capital letter, has finger spaces and a full stop at the end. Practising letter formation and writing on the line.

Science – Naming common plants and trees

PSHE – Talking about moving to Year 2 and discussing any worries and what we are looking forward to.

Our Christian Values for Terms 5 and 6 are **Hope** and **Humility**. We will also be revisiting previous Christian Values of Trust and Thankfulness.

Our Character Education trait for the Summer term is **empathy**.

Welcome to the Summer term!

We can't wait to explore the wonderful world we live in! Paddington will be joining us on our adventures for the Summer term. In English, Paddington will inspire us to write descriptions, stories and a non-chronological report. In Geography, Paddington will join us to do some fieldwork in our school grounds. Our school visit from Zoolab where animals such as stick insects, giant African land snails and tree frogs will visit us so we can learn more about the wonderful world around us. This learning will help us to classify animals into groups in Science and recap learning about our senses. Finally, we will be designing and making our own penguin enclosure, linked to DT and one of our key texts 'Paddington at the Zoo'. Paddington may need a marmalade sandwich and a nap once he's completed all this learning with us!
