Parent and Carer Transition Information
Autumn Term 2020

We would like to thank and congratulate everyone on a most exceptional first term so far. It has been an absolute joy for us to be in our fabulous school and to see the children settle so quickly and happily.

As you will be aware, it is at this time of year that we would usually be sending out an invitation for you to make an appointment for our 'Meet and Greet' Parent and Carer evenings. However, this year, due to the current COVID-19 restrictions, this will not be possible in person. Our teachers will instead be writing a personal learning statement which will include comments about how your child/ren have settled into school; their first signs of progress; their all-round achievements and some aspirational learning targets for them based on meticulous and rigorous assessments undertaken once your child/ren returned to school in September. These will be sent to you on Tuesday 3rd November 2020 when our face to face meetings were previously scheduled.

We may have already been in touch with you if we have felt that your child/ren have required more support with their transition and this is something that we will continue to do.

As always, we will do our very best in partnership with you to ensure that all of our children can 'fly high'. We will continue to navigate these different times together.

Please complete the box below with any comments or feedback you have **after** you have received your child's report. If you have any concerns when you have received your child's report on Tuesday 3rd November, please do not hesitate to contact us via the school office and you can book a telephone appointment with your child's class teacher if necessary.

Kind regards,

Mr Peter Bellamy
Acting Head of School
