

POPPY APPEAL

As we approach Remembrance Sunday, each class will have the opportunity to purchase a poppy.

Pupils may bring a small amount of change in if they wish to buy one. We will do this in a COVID-19 secure way.

Reception Gate

We are very proud of our Reception children who have settled into school life brilliantly last term. As we go into another National lockdown, please can we ask that you do not take your Reception child right to the classroom door to avoid congestion. The class teacher will be at the door to welcome the children in and you will still be able to wave from the gate.

Thank you for your support.

NEW BABY

We are delighted to announce the safe arrival of
Poppy Rose to Mr Bellamy

Mother, baby and Father are doing well and I'm sure you will all join us in congratulating Mr Bellamy and Miss Bergmann (from Bourne Abbey) on their new addition. Mr Bellamy will be back from his Paternity Leave on Monday 16th November.

SCIENCE AWARD

As you know, we are truly delighted that the school has been awarded the Primary Science Quality Mark. Our talented young scientists have not only enjoyed an amazing range of extra-curricular science activities, but they have received the very best in primary science teaching. As ever we remain deeply grateful for the support of children, parents/carers, trustees and governors as well as all of our teaching staff in helping us achieve this prestigious award. Our certificate arrived today in school!

STAFF CAR PARK

Please can we remind you not to park in the Staff Car Park. **These spaces are for Staff only.**
Thank you for your co-operation.
