Year 2

Danger! Dungeons and Dragons

Term 1 & 2 2026-27

Year 2

Dear Parents/Carers,

We have had the most wonderful first week teaching your children and getting them back into school routine. They have been fantastic and settled in brilliantly. Swords at the ready, as Year 2 charge into our first topic all about castles!

English

This year, we are excited to begin using Grammarsaurus resources to support our learning in punctuation and grammar. Children will develop their understanding of a range of grammatical skills and learn how to apply them accurately and effectively in their writing. We will put these skills into practice by retelling the story Rapunzel and create a non-fiction piece of writing about minibeasts, linked to our Science knowledge. We will also read many books linked to our castles topic, such as Zog and The Dragon and the Nibblesome Knight.

Our Christian Value this term is 'Respect' and in Term 2 it will be 'Love'

Maths

The children will be revisiting the place value of numbers to 20, before exploring numbers to 100. We will then move onto our addition and subtraction unit, including practising our number bonds to 20 and then 100!

P.E.

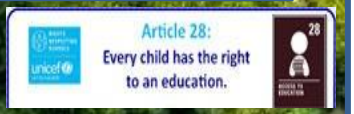
P.E will usually be on Mondays and Wednesdays, however, this could differ due to weather conditions. Please ensure both indoor and outdoor P.E. kits are ready each week. Every item of clothing should be name labelled to help the children to look after their own kits.

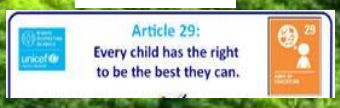
Weather

Please ensure all coats, gloves, hats and scarves are named as the weather gets colder this term!

School Visits

We are looking forward to Partake Theatre visiting us on 2nd November for our Knights and Castles workshop! More information will be sent out in the next few weeks.





Friday Connection Time

As part of our commitment to promote a sense of belonging for everyone in our school, we will be having a special time every Friday where we will spend time connecting with each other. This is a great opportunity for children to bring in special trophies or certificates they may have been awarded out of school or something special they would like to share with the class. We will also be playing games, completing mindfulness activities and sharing our favourite books. If you have any toys or games that you would like to donate for this special time, please drop them off with Miss Aldiss. Thank you.

Reading Books

Please ensure you child's reading folder is in school **every day.** This will contain their phonics book, library book and golden ticket.
Phonics books will be changed every Friday.
Library books can be changed every Wednesday.

Homework

We encourage the children to read as much as possible both in school and at home. Every time they read, adults are to sign it off on your Golden Tickets. After 10 reads, hand them in to enter the Reading Raffle, with chances to win prizes at the end of each term! The children can choose either their phonics book, library book or a book that interests them at home. Our palette of choice has been reduced this year. We are excited to be part of the new Morphs spelling game and continue to use Numbots for practising our number fluency. Login detail will be in your child's homework book.
