Dear Parents and Carers,

Appointment of New Headteacher at Bourne Elsea Park CE Primary Academy

Following my previous correspondence with you regarding the leadership arrangements at Bourne Elsea Park, I am delighted to confirm that **Mrs Julia Orridge has been appointed as the new Headteacher** and will take up her position in January 2027.

Mrs Orridge is an experienced headteacher with a strong track record of school leadership and a real commitment to making a positive difference to children's lives. She is passionate about ensuring that every child feels happy, safe and valued at school, receives an excellent education and has every opportunity to achieve their potential.

During her visit to the academy today, Mrs Orridge spent time getting to know the school and developing an understanding of what makes Bourne Elsea Park special, as well as the areas we want to develop further. Gavin Booth, our Chief Executive Officer, and I were particularly impressed by her understanding of the academy and her clear focus on what matters most: the quality of education children receive, their happiness and wellbeing, and ensuring that every child is supported to succeed.

We are confident that Mrs Orridge will be an excellent Headteacher who will build positive relationships with children, staff and families, celebrate the academy's strengths and work tirelessly to ensure that Bourne Elsea Park is a place where every child can thrive.

Over the coming weeks, we will work closely with Mrs Orridge and Mrs Jordan to ensure a smooth transition, with children's needs and experiences at the heart of our planning. Mrs Orridge is very much looking forward to meeting the children, getting to know their families and becoming part of the Bourne Elsea Park community.

I would also like to thank Mrs Jordan again for her leadership and the care and commitment she has shown to the children and families of Bourne Elsea Park. We are grateful for everything she has contributed to the academy.
