Bourne Elsea Park C of E Primary Academy

School Update

A Big Thank You!

We would like to say a huge thank you to all our families for your continued support with our recent fundraising and charitable events.

Children in Need and the Poppy Appeal

Thank you to everyone who contributed and helped us support these important causes. We are delighted by the generosity shown by our school community. The amounts raised will be shared with you in due course.

Harvest Donations – Supporting Bourne Food Bank

We would also like to thank everyone who generously donated food items as part of our Harvest celebrations. Your kindness and generosity have helped support local families through the Bourne Food Bank.

We are pleased to share that we have received a certificate from the Food Bank in recognition of our donations.

Thank you for helping us to make a difference within our local community.

Important Reminders – Mobile Phones and Smart Watches.

Please take a moment to familiarise yourselves with our school expectations regarding children's mobile phones and smart watches.

Mobile Phones

Children are **not permitted to use** mobile phones anywhere on the school site.

For children who need to bring a mobile phone to school, the following procedure must be followed:

- Mobile phones must be switched off at the school gate at the beginning of the day.
- Phones must be handed directly to the class teacher on arrival and will be kept safely during the school day.
- Phones must not be switched back on until children have left the school site and reached the school gate at the end of the day.

Smart Watches

Smart watches are not permitted in school.

This applies to all smart watches, including those with settings or functions that claim to disable certain features, such as camera use, messaging or internet access. Regardless of the settings available, smart watches are not allowed to be worn during the school day.

No Animals on Site

We know how much everyone loves animals, but for the safety of all our children, no animals are allowed on school site – even if they are family pets.
This is to protect children with allergies, some of whom can have severe reactions.

Thank you for your understanding and support.

Thank you, as always, for your continued support and partnership.

Together, we help every child to flourish!
