Our Academy Vision

We have a vision of a community in which each person is offered the opportunity to fulfil their potential and to understand themselves to be valued for who they are. Through a stimulating and challenging learning environment, we pursue academic excellence and seek the flourishing of all members of the school community. As inclusive and caring church schools, our commitment is to help pupils become thoughtful, open-minded and compassionate human beings who have the knowledge, skills and motivation they need to bring about positive transformation in the world.

"Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as you ever can."

Statement of intent

Abbey Academies Trust (AAT) wants to ensure that staff are supported and encouraged to develop personally and professionally. We recognise that staff wellbeing is important to pupil achievement and the school's performance.

AAT is committed to making sure that this Staff Wellbeing Policy is implemented so that each individual is able to cope successfully with the demands in their lives, whatever the cause of stress.

The purpose of this policy is to maintain a school ethos which supports staff health and wellbeing by making sure that all employees are treated fairly and consistently.

COVID-19

Following the Coronavirus outbreak, Abbey Academies Trust remains dedicated to supporting the mental health and wellbeing of all staff. The Senior Leadership Team are aware that staff may be experiencing a variety of emotions in response to COVID-19 and that they will also need to support children in school dealing with varied emotions in light of COVID-19.

The Senior Leadership Team will continue to be on site daily, with the Executive Headteacher moving between schools. Mental Health and Wellbeing First Aiders continue to be on-hand to support the needs of pupils and staff alike.

The Senior Leadership Team, Trustees and Governors will continue to regularly update the AAT risk assessment, which also takes staff wellbeing into account.
