PUPILS TESTING POSITIVE

If your child has a positive test result then you should let the school office know immediately.

If your child has a positive test result **outside of office hours**, please ring Mrs Moore on the COVID phone, using the number (07591528082).

Please remember that this number is only for use if a child attending school has a positive test result.

Please do not send a text message as we need to take key information from you. If there is no answer, please do not assume we will have picked up your message. Please try again until you have spoken to Mrs Moore.

'LIVE' COVID-19 RISK ASSESSMENT

Likelihood	Very likely	Acceptable risk Medium 2	Unacceptable risk High 3	Unacceptable risk Very High 4
	Likely	Acceptable risk Low 1	Acceptable risk Medium 2	Unacceptable risk High 3
	Unlikely	Acceptable risk Low 1	Acceptable risk Low 1	Acceptable risk Medium 2
	What is the chance it will happen?	Minor	Moderate	Major
Likelihood x Impact = Risk		Impact How serious is the risk?		

Our COVID-19 risk assessment will remain 'live' throughout the remainder of this academic year. We will continue to respond swiftly to any government and Public Health directives.

If any of our plans need to change, we will be in contact via ParentMail, the school website and Facebook to keep you fully informed.

We will continue with all our safety measures following government guidance to effectively reduce risk and create an inherently safer environment.

The FAQs we issued last week set out clearly how we will do this.

DROP OFF AND COLLECTION

ENTER

EXIT

Please remember that access for drop off and collection from next week reverts to the system in place in Terms 1 and 2; Reception and KS1 through the Reception playground gate and KS2 through the wooden gates.

May we also remind you of our letter dated 25th February regarding Sandown Drive: https://jib.cc5.myftpupload.com/wp-content/uploads/2021/02/BEPPA_SandownDrive.pdf

There will be members of the Senior Leadership team in and out of the front gates to direct you.

Please also remember:

- That only one adult should bring a child to school
- To maintain social distancing when arriving at school and when queuing on the footpaths
- To wear a mask if you are able

Thank you for your support.
