## **POLICY** for **Volunteers in School**

***Reviewed***

<b>New policy written September 2020</b>	<b>September 2021</b>	
<b>Updated May 2021</b>		

***Every Child Matters within a loving and caring Christian environment  
Striving for Excellence, Caring for All***

***We have a vision of a community in which each person is offered the opportunity to fulfil their potential and to understand themselves to be valued for who they are. Through a stimulating and challenging learning environment, we pursue academic excellence and seek the flourishing of all members of the school community. As inclusive and caring church schools, our commitment is to help pupils become thoughtful, open-minded and compassionate human beings who have the knowledge, skills and motivation they need to bring about positive transformation in the world.***

***“Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as you ever can.”*** ***John Wesley***

The aim of this policy is to:

- To provide volunteers and staff with clear expectations, induction and guidelines for working in school
- To encourage the wider community to engage with children’s learning to raise standards of achievement and promote community cohesion
- To ensure the highest standards of safeguarding for our pupils by a shared knowledge of procedures

### **Introduction**

Volunteers are parents/carers, students on work placement or other adults working alongside the school staff.

At Abbey Academies Trust, we welcome those wishing to help in the school and value the contribution they make to school life. We believe that the involvement of parents, carers and volunteers in children's education is vital and we encourage active participation in many ways. Some volunteers come to school to help with a variety of tasks such as ICT, art, cooking, and especially reading, and usually work with individuals or small groups in specific classes. In addition, volunteers often help when the children are taken on educational visits outside school or get involved with the work of our PTFA.

These guidelines have been written to ensure that for all concerned – volunteers, teachers and children - the experience is positive and rewarding.

### **Becoming a Volunteer in School**

As part of our commitment to safeguarding and in line with recommendations from the most up to date *Keeping Children Safe in Education (copy can be found in the staffroom)*, in order to be considered to be a volunteer in school you will need to complete an application form (Appendix 1). Please ask at the school office or email the relevant school enquiries address.

As part of our recruitment process, you will be required to provide details of at least one referee and ideally two. These cannot be a family member and should be someone you have worked or volunteered for; someone who knows your work with children or be a person of standing in the community.

Volunteers will be asked to attend an informal interview to ensure that the aims and intentions of the school and the volunteer are compatible.

We carry out a Disclosure and Barring Service (DBS) check for all volunteers who have regular contact with children. All schools should hold a register of the checks undertaken. In order for you to work in school as a volunteer, you will need to apply online for a DBS check. We will help you get the process started and a member of the office team will support you. Please be assured that all information will be treated in the strictest confidence and that these checks are done only in the best interests and safety of the children.

Those who help out at specific events e.g. school fair, accompanying walks in the local area, visits out of school etc. who do not have unsupervised access to children, do not need a DBS but must not have unsupervised access to children. In these instances, a volunteer risk assessment (Appendix 2) will be completed by the Head of School or Executive Administrator.

The Executive Head teacher/Head of School has the authority not to accept the help of volunteers if they believe that it is not in the best interest of the children.

### **Being a Volunteer in School**

When a volunteer arrives in the school they must sign in at the school office in the visitors' book and take a visitor lanyard, which must be worn at all times whilst in school. Please indicate your arrival time and which class/person you will be supporting. Volunteers must also sign out and state the time when they are leaving the school premises. Signing in and out is important in the event of an emergency so that staff and emergency services know who needs to be accounted for.

A visitor badge must be worn at all times in school. Volunteers with a DBS clearance will have been identified to staff members. The Executive Head teacher/Head of School has the authority withdraw the help of volunteers if they believe that it is not in the best interest of the children.

As a volunteer you will have an induction meeting with a leader from the school before your first day in school. At this meeting you will discuss key information and procedures and be asked to read, and sign to say you have read, a number of policies relating to safeguarding and your role in school.

- Safeguarding and Child Protection (including the Prevent Duty)
- Confidentiality
- ICT safeguarding (including the use of social media)
- Health & Safety
- Fire

You will also receive training for the role(s) you will be undertaking in school (eg hearing readers, supporting artwork etc.)

### **Confidentiality**

It is very important that all staff, volunteers and other adults working in the school work to a policy of confidentiality. While in school you are likely to become aware of issues relating to individual children. You may see children struggling with work, being upset or misbehaving or hear/see other information concerning a child while you are with us in school. It is vital that you do not share anything about specific children with friends or family or a child's parent/carer if you know them. The teachers here have the responsibility of informing parents/carers of any concerns about a child. Volunteers working in

classrooms do so on the understanding that they support the teaching staff and will not pass opinion on such matters as discipline or teaching styles outside the school.

### **Safeguarding including the Prevent Duty**

Safeguarding concerns about a child, including those regarding the Prevent Duty, must be shared immediately with one of the Designated Safeguarding Leads (DSLs) as soon as possible after the disclosure (this will be explained in more detail at induction and safeguarding training).

The Designated Safeguarding Leads are

<b>Bourne Abbey</b>	<b>Bourne Elsea Park</b>	<b>Colsterworth</b>
Linsey Leafe (DSL for the Trust, based at Bourne Abbey)		
Sarah Buttress	Sarah Moore	Louise Jordan
Janelle Disdale	Rebecca Bradley	Sarah Moore
Sarah Moore	Peter Bellamy	

Everyone has a duty to keep children safe. Children may disclose information or worries at any point during the school day. It is not unusual for children to disclose information to people they feel less affiliated to and anything could trigger this.

If a child says something that concerns you:

- DON'T make promises of secrecy
- DON'T ask questions of the child
- DON'T appear shocked or terrified but instead remain calm and reassuring
- DON'T delay in reporting the disclosure
- DO listen closely and carefully to everything the child says
- DO report it to one of the school's Designated Safeguarding Leads immediately
- DO complete a record of concern form as soon as possible noting the date, time and as close to the exact wording as you can of the child's disclosure.

The records of concern form can be found in the school office and in each classroom/year group. These will be shown to you as part of your induction.

### **The Prevent Duty**

Schools also have a duty to recognise children at risk of, or who may be vulnerable to, potential radicalisation. While our area remains a low risk area for this type of radicalisation we need to remain mindful of this risk to children and be aware of signs that could warrant early intervention.

This very much follows the same procedures as above in school and should be reported in the same manner. Signs could include:

- Expressing extreme views regarding people of other ethnicities, cultures or faiths
- Unusual or unsafe online activity
- Disclosures regarding family members' views or behaviours towards other ethnic groups.
- Signs of isolation, fear or rejection of peer groups
- Recent political or religious conversion
- Conflict with family over political or religious views

## **Mobile Phones**

All staff, volunteers and students should keep mobile phones switched off during lessons to avoid distraction and disturbance. Calls or messages should not be made or received during lessons. (See ICT Safeguarding Policy (including social media) for full details re: adults in school and pupil mobile phones).

## **Health & Safety**

Health and safety is of the utmost importance. If, while working in school, you see anything that is unsafe, please report the matter to Bourne Abbey - Mrs. Jill Bates (Executive Administrator); Bourne Elsea Park – Mrs Nicola Chapman (Office Manager); Colsterworth – Miss Nikki Rogers (Senior Administrator)

## **Fire**

There is a fire drill once every two terms. The signal is a continuous ringing of the fire bell. A fire drill routine is based on a critical sequence of events, these being:

**Alarm Operation;** anyone discovering an outbreak of fire must, without hesitation, sound the alarm by operating the nearest fire alarm call point.

**Calling the Fire Service;** all outbreaks of fire or any suspected fire, however small, should be reported immediately to the Fire Service by an adult by the quickest means available. This is likely to be by calling a member of the Admin Team who have ready access to outgoing telephone lines.

If the fire alarm sounds, please make your way safely to the nearest exit following the school's fire evacuation procedures (these will be shared with you as part of your induction).

## **Deployment of Volunteers**

Volunteers will be asked to support in classes/areas of the school where there is the most need for support. Parent/carer volunteers should be aware that they will not be able to work in their child's class. If you have children in the school, it is helpful if you can explain to your child that you will be coming into school to help all of the children and that he/she will not be able to work with you. We may from time to time ask you to support another class during a visit if extra adults are required for a specific activity (e.g. supporting practical science work).

## **Volunteer Roles in School**

Many of the activities that we ask you to help with are the sorts of things that parents/carers do with their own children at home. We might ask you to become involved in a variety of activities such as:

- Hearing children read
- Supporting groups in lessons
- Playing games
- Topic related studies
- Admin jobs

A member of staff will always give you clear guidelines about the activity and all the materials you need.

**Photocopier**

You may be asked to use the photocopier to support the class teacher in preparing resources. A member of staff you are working with will explain how to use this but please ask in the school office if you are unsure.

**First Aid**

Please do not administer First Aid to children whilst you are volunteering in school. A number of staff hold certificates for paediatric first aid and first aid at work. Please talk to the class teacher or a member of the office team if you are approached by a child with an ailment or injury.

**Attendance**

If you find that you are not going to be able to come into school on a particular day, it is really helpful to know in advance, even if that's only a phone message on the morning in question. Please call the front office who will get a message to the teacher you would be working with.

**References**

Occasionally, volunteers ask the school to provide a written reference when they are seeking employment. We stipulate a minimum qualifying period of three months' attendance of regular volunteering (e.g. once a week) before we feel able to provide a work-based reference. We believe that this is fair to both prospective employers and candidates.

Thank you! We really do appreciate your help.

## **Risk Assessment Template for Volunteers working in Schools who are NOT in Regulated Activity**

This risk assessment template may be used when deciding whether to obtain an enhanced DBS certificate for regular volunteers who are NOT engaged in regulated activity, in line with Keeping Children Safe in Education [para 170] 2020 (update January 2021). This would NOT be appropriate for volunteers who simply assist with day-time school trips.

- A** Yes  (If “Yes” you **must** obtain an Enhanced DBS certificate with Barred List check and you do **not** need to fill out this risk assessment further)
- B** No  (If “No” you may choose to obtain an Enhanced DBS certificate **without** a Barred List check, based on this risk assessment and your professional judgement)

<b>Total Risk Rating</b> [total up the risk scores for each factor]			
<b>Overall Risk level</b> [tick one box – refer to guide below]	High <input type="checkbox"/>	Medium <input type="checkbox"/>	Low <input type="checkbox"/>

**Guide to assessing risk level**

*(remember this is only a rough guide and individual schools should determine their own risk levels)*

**>30**

**Low Risk.** A score of less than 30 points suggests the volunteer is well known to the school, has probably got some experience of previous work with children and can provide a reference and is generally working on school premises and within normal school hours with children who are not deemed particularly vulnerable. They may be a previous employee, governor or volunteer and/or well known to staff or colleagues. They may hold a recent DBS certificate which has been seen or a portable DBS

Action: there is no legal requirement to carry out a further DBS check but if the person doesn't hold a portable DBS they may wish to consider carrying out an enhanced DBS check with NO Barred List check

**30-40**

**Moderate Risk.** A score between 30-40 points suggests the volunteer has some connection with the school, perhaps as a parent and may have done some similar voluntary work in the past. No particular issues have come to light and there are no concerns over their suitability. The person has provided suitable references. They may work regularly with children where occasionally some of these children are deemed vulnerable. They do not have recent or portable DBS check.

Action: there is no legal requirement to carry out a further DBS check however the school may wish to consider carrying out an enhanced DBS check with NO Barred List check

**41+**

**High Risk.** A score of above 40 points suggests that the volunteer has no previous connection with the school and is not known to staff at the school and cannot provide relevant references as to their suitability to work with children. They do not hold a current DBS or portable DBS check or they may be expected to work directly with children who may be particularly vulnerable or off school premises and out of hours.

Action: there is no legal requirement to carry out an enhanced DBS check, however it is recommended that the school consider carrying out an enhanced DBS check with NO Barred List check.

**Agreed Action:** [tick box]

Enhanced DBS Check **NOT** required?  Enhanced DBS Check **IS** needed?
