

DROP OFF AND COLLECTION ROUTINES

We have noticed a relaxation of caution at both drop off and collection times and would like to remind you that our morning and afternoon arrangements remain this present time.

- Only one adult should drop off and collection your child/ren
- On pick-up children must remain with parents/carers while waiting on school grounds - please don't let them run around
- You should not congregate in groups, either whilst waiting for or after collecting your child/ren.
- You should be considerate to other pedestrians when waiting on the footpaths around school

We have been so grateful for your support with these arrangements over the past 18 months and would very much appreciate your continued understanding.

THANK YOU!

CONTACT DETAILS

If you have recently changed your address, telephone numbers or email please ensure you update your details at the front office.

It is important that the information we hold for you is up to date.

Nut Allergy

We have children in school who have a severe nut allergy.

For the safety of all we should therefore like to remind you that packed lunches must not include items such as peanut butter or snack bars including nuts.
