23<sup>rd</sup> June 2021

Dear Parents/Carers,

## ENVIRONMENTAL CHAMPION NOMINATION

Last week we received the wonderful news that we have been selected as a finalist within the Environmental Champion/s category of the Spalding & Lincolnshire Education Awards 2021. WOW!

Here at Bourne Elsea Park, our children care deeply about the environment and the world in which they live. We work hard to be an eco-friendly school and to empower the children to become 'Agents of Change' who develop a determination to make a real difference, which has been recognised by our nominee. This fits perfectly with our 3Rs; Respect and Take Care of ourselves, Respect and Take Care of each other and Respect and Take Care of our world and environment, as well as our Christian Values which the children live out daily.

It is wonderful that the commitment to improving the school's carbon footprint by all of our school community has been recognised and the children especially can be congratulated once again for all their amazing hard-work and efforts over the years.

The award ceremony for the category will be held in September and we will, of course, let you know the result!

Yours sincerely

Mr P Bellamy  
Acting Head of School
