12th May 2022

Dear Parent/Carer,

**Year 5 visit to The National Space Centre, Leicester
Monday 13th June 2022**

As part of our Space topic we have arranged for Year 5 to visit The National Space Centre, Leicester on Monday 13th June. We will be joined by our peers from Colsterworth C of E Primary School.

The Space Centre has a wide variety of interactive hands-on galleries for children to explore including topics such as: How are stars formed? What is gravity like on other planets? What is it like to be an astronaut?

Also included as part of our visit will be a Planetarium Show. Children will be able to experience one of the most amazing shows all about space in the 360 degree Planetarium.

We will need to leave school by 8:15 a.m. at the latest, **therefore please could your child arrive at school for 8:00 a.m.** We expect to arrive back at approximately **4:15 p.m.** Drop off in the morning and collection at the end of the day will be via the front office. Children should wear normal school uniform and bring a packed lunch.

We are asking for a voluntary contribution of £18.50 per child, in order that the visit can go ahead. Please be aware that this visit will not go ahead without sufficient support. Payment and consent should be made by ParentMail +Pay by **Monday 6th June 2022.**

We are all looking forward to a very enjoyable day.

If you have any queries, please don't hesitate to speak to me.

Yours sincerely

J Waterhouse
