Dear Parent/Carer,

**YEAR 3 PSHE LEARNING**

This term we will be beginning some work in Year 3 about the human life cycle, growing up, personal responsibilities and families. This work forms part of an ongoing programme of Relationships and Sex Education (RSE), which we deliver throughout the school.

Your child will be engaging with the following questions as part of this work:

- What are the main stages of the human life cycle?
- How did I begin?
- What does it mean to be 'grown up'?
- What am I responsible for and how will this change?
- What responsibilities do families have for the physical and emotional wellbeing of babies and children?

We encourage you to discuss any of these areas with your children before, during or after our topic, as children and young people say that they greatly value being able to talk to their parents/carers about these issues.

We have carefully reviewed the resources we use to support our teaching of this unit, to ensure they are appropriate to the age and needs of the children. If you would like to find out more about the lessons, please do not hesitate to contact your child's class teacher.

You have the right to withdraw your child from the elements of RSE which are not included in the National Curriculum for Science. Please contact Miss Ockwell if you would like to discuss this further.

Yours sincerely

Mrs S J Moore  
Executive Headteacher
