## NEW BABY

We are delighted to announce the safe arrival of Samuel Bonham to Miss Cooper.

Mother and baby are doing well and I'm sure you will all join us in congratulating Miss Cooper on her new addition.

## SEND GREEN PAPER

SEND Review:  
Right support  
Right place  
Right time

The government has published a green paper on the future of the special educational needs and disabilities (SEND) and alternative provision (AP) system and is undertaking a public consultation on the green paper's proposals.

They want to hear from parents, carers, children and young people. The consultation is open until 22<sup>nd</sup> July 2022 and can be found at

<https://sendreview.campaign.gov.uk/>

With the weather now getting warmer, please could we ask that you send your child with a named sunhat, a named bottle of sun cream and a named water bottle. We do spend time outside so during warm weather, please can you ensure that your child arrives at school with sun cream applied before they arrive. We will supervise the children reapplying their sun cream during the day so please do send in a named bottle of sun cream.

It is important that children are able to keep hydrated. We would be grateful for your support in ensuring children have a clean water bottle in school every day. (Replacement bottles can be purchased from the school office at a cost of £1.50).

Thank you

## Parking

We have once again had some concerns raised by local residents about inconsiderate and dangerous parking around the school.

Please, please be considerate of all of our neighbours and DO NOT park or wait on private property, across gateways or on footpaths.

Please think about how you would feel as a householder in the same circumstances.

Thank you for your co-operation.

## SAFETY ON BICYCLES & SCOOTERS

Please remember for the safety of all pedestrians, can we please ask adults and children to dismount from bikes and scooters as soon as they are on school grounds.

Thank you.

## Term 6
