13th December 2022

Dear Parents and Carers,

EXPLORER ACADEMY - RAINFOREST WORKSHOP

After Christmas we will be starting our 'Amazon Adventure' topic and learning all about the Amazon Rainforest and South America. As part of our learning, we have arranged for the Explorer Academy to visit school on **Tuesday 17th January** to deliver their exciting rainforest workshop. The workshop will be delivered by an experienced explorer and will include interactive presentations and hands-on activities.

Immersing themselves in a rainforest setting, pupils will spend the morning investigating issues such as the location of the world's rainforests; the tropical climate and the water cycle; the different layers of the rainforest; the wondrous diversity of plant life; indigenous rainforest tribes; and wildlife adaptation.

In the afternoon, the children will spend time considering all aspects of deforestation, before looking at some of the clothing and equipment needed to conduct a modern-day rainforest expedition, and an examination of some of the gruesome and grim dangers that await you if you venture into the rainforest unprepared.

We are asking for a contribution of £7 per child, in order that the workshop can go ahead. Please be aware that this workshop will not go ahead without sufficient support. Payment should be made by ParentMail +Pay by **Friday 13th January**.

When considering whether or not to run such an event, consideration has been given to the increased pressure on family finances due to the current economic climate. Please do let us know if you require any additional support in this respect by emailing BEP.enquiries@abbeyacademies.co.uk

We are all looking forward to a great day.

Yours sincerely

Miss Worrall

(Year 6 Class Teacher/Assistant Head)
