

Year 6 Summer Term Feel the Beat!

Welcome back to an exciting start to the summer term!

This term will involve us discovering all about the extraordinary world of science.

During the course of our topics, we will explore the human body including:

- Circulatory system
- Water and nutrient transportation
- Effects of exercise on the body

We will also be commencing our D.A.a.R.T and Growing and Changing topic as part of our PSHE work and focussing on transition to secondary school.

Enchanting English

We are looking forward to reading a range of class books over the summer term including Holes and Floodland.

In English we will be writing a range of different text types including suspense stories, narratives and letters. We will be focussing on developing our writing stamina ready for secondary school.

What have the Maya done for us?

In history we will be understanding the impact the ancient Maya legacy had on the rest of the world.

In Art will be will designing and making clay Mayan masks.

Y6 Production

Watch this space!

Dive into Maths

This term we will be revising and consolidating the curriculum alongside investigations.

R.E and Christian Values

In R.E we will be focussing on life journeys in Hinduism and Islam.

The Christian Values we are reflecting upon in Term 5 and 6 are Trust and Thankfulness with Hope and Humility.

Our Character Education Trait for this term is resilience.

Get those hearts racing!

Please ensure your child has their PE kit in school each day. Please ensure that your child has appropriate outdoor P.E clothes including jogging bottoms and a jumper if the weather is cooler and a sun hat and apply sun cream on sunny days.

Dates to remember

SATs assessment week Tues 9th—Fri 12th May 2023

KS2 Sports Day 6th June 2023

Additionally, we have SATs assessment week the 9th—12th May 2023. Please ensure your child is at school during this week to enable them to take part in the SATs. More information will be given out about this soon.

To support at home, please continue to make sure children complete their weekly homework to ensure readiness for secondary school. Children should also use TTRS and read their school book everyday to support development and progress.

Please remember we are always here to help. Should you have any worries or concerns then do not hesitate to contact us.
