

Commotion in the Ocean!

Welcome to Terms 5 and 6 in Reception

This term we will be thinking about pirates and sailing the seven seas. The children will have the opportunity to enhance their learning with a Pirate Day which will involve lots of treasure hunting, treasure map making, clue following and adventure. We will be continuing our daily phonics, our reading and writing activities, sharing books at school and at home and reading our green and red words. In mathematics we will be using numbers to 20, weighing and measuring treasure, spatial reasoning and finding out about capacity.

Ahoy there matey!...

This term we will be making a pizza treasure map. We will be following the clues to the terrific treasure and then weighing our loot!

Second star to the right...

We will be using the story of Peter Pan as the inspiration for some of our learning this term. We will be exploring capacity to make potions that will send the fairies back to Neverland.

There's a curious commotion...

...at the bottom of the ocean. We will be learning about life under the waves and the creatures that live there.

It's a pirate's life for me!

Reception will have the opportunity to use drama and music to get into character and sail on an adventure on the seven seas.

Summer sun...

If the sun is out, and we hope it is, please make sure your child has a named sunhat with them and has had sun cream applied in the morning to keep them 'sun safe'.

PE

We will be having outdoor PE sessions this term. Please ensure your child has an outdoor PE kit including trainers or plimsolls.

Our Christian Values

In Terms 5 and 6, our Christian Values will be Trust, Hope, Thankfulness and Humility.

We are really looking forward to an exciting term with lots of lovely learning opportunities.

If you have any questions then please do not hesitate to get in touch.
