

# A Royally Good time And Chick This Out

## Reception 2024

### Communication and Language Literacy

We will use nursery rhymes and familiar repeated stories to develop our oracy and storytelling skills. We will use a wealth of fiction and non-fiction texts to inspire our reading and writing for a purpose including lists, letters and recounts.

### Computing and E Safety

In Computing we will explore technology all around us alongside deepening our understanding of patterns. We will also use 'Code Karts' to begin our coding journeys! Our E-safety units of 'Online Relationships' and 'Online Reputation' will keep us safe as we learn.

### PSED

We explore similarities and differences between ourselves and others to find and celebrate what makes us unique!

### Maths

We will introduce numbers to 10 and explore number bonds within these numbers as well as addition and subtraction. We will also explore the vocabulary of length, time, height and 3D shapes.

### RE

Our Christian Values are Courage and Compassion and our Character Education Trait is Integrity. We will learn about ours and others' special books and the Christian story of Easter.

### PD

Alongside continuing to develop our fine motor skills and pencil grip, we will follow a recipe to prepare food for our tea party. In PE we will cover gymnastics and ball skills.

### UTW

We will go on a fantastic journey of exploration this term, beginning with looking at our current monarch and our capital city. We will journey to the past to find out about previous monarchs and how they lived. We will also discover Lunar New Year and compare it to celebrations from our own homes. In Term 4, we will become farm experts as we investigate farm animals and machinery, visit a real farm and observe chicks hatching!

### EAD

In Music, we will follow the units 'When Snowflakes Fall' and 'A New Beginning', exploring the seasons and new growth with relevant songs.

In Art, we will make our own pictures inspired by royal portraiture and Van Gogh's 'Sunflowers'.

# A Royally Good Time!
