

During this awe-inspiring topic we will be studying some Spiritual, Moral, Social and Cultural (SMSC) aspects, thinking of those who motivate us to explore the world and challenge us to achieve our dreams. This will be linked to our learning about exhilarating Great Adventurers and will help us to develop an understanding of our Character trait of Empathy and UNICEF Rights. *Article 6: every child has the right to life and be healthy and Article 29: every child has the right to be the best they can.*

Geography

Name and locate UK counties and cities. Identify physical and human geographical features of UK.

DT

We will design a piece of equipment that would be essential to survive in the rainforest. We will evaluate a variety of materials and test their suitability for the kit and use stitching skills to create these.

R.E

Our question for this term is 'Why do Christians call the day Jesus died 'Good Friday'? We will be exploring the messages, beliefs and emotions surrounding Holy Week.

Our Christian Value for this term is **Hope** as well as revisiting Trust. Our Bible story is Noah's Ark.

Art

We will explore different forms of architecture from the Greeks to Gaudi. We will focus on line and symmetry, leading up to the children designing and making their own detailed mosaics.

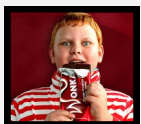

Science

You Are What You Eat!

Understanding the 5 food groups and how the nutrients found in these groups contribute to a balanced diet.

Understanding the functions and types of different skeletons, including how muscles and joints allow us (humans) to move.

Sorting animals into groups based on their diets.

PE

In PE, we will be improving our cricket and athletic skills, practising bowling, batting and catching and preparing ourselves for Sport's Day.

English

Writing to inform

Writing non-chronological reports inspired by the Great Adventurers book about Lakpa Rita Sherpa and Rick Hansen

Writing to entertain

Using the 5 senses to write a narrative around the book 'How does Chocolate taste on Everest?'

DREAM BIG Year 3

Spanish

We will be learning new vocabulary about Pre-historic Britain to link with last term's History topic.

Mathematics

Continuing to follow the Abbey Academies Trust curriculum: Money, time, shape, statistics, times tables and continuing to master quick and accurate calculating during Fluency Friday!

Computing and E-Safety

Using Canva, a desktop publishing app to create a poster or booklet and Scratch programming.

Following our National Online Safety programme - Managing Online Information, Privacy and Security, Copyright laws.

Our RSE programme, Jigsaw, teaches about Relationships, how to make friends, solve conflicts and help each other, regardless of our differences, in a respectful way..

PSHE and RSE
