## **Warmer Weather**

It is fabulous to see the return of some warmer weather and we are all looking forward to summer. Please can we take this opportunity to remind you that as usual in warmer weather you should ensure your child(ren):

- Wear black school shoes. Whilst it is lovely to see children in sandals, they are not practical for a busy day at school
- Have sun-cream applied before coming to school. They may bring in a named bottle of suncream for them to reapply during the day if needed
- · Bring a named hat with them
- Due to the weather being so changeable, please ensure your child also has a raincoat with them
- Have their water bottles in school. They will be encouraged to keep hydrated
- Double-check that all jumpers, sweatshirts and cardigans are named so they can be returned to the correct child if left on the playground

## **Attendance**

It is fantastic to see so many of our children arriving in good time ready to start their learning each day. Thank you for your support in making this happen.

However, we thought it might be useful to remind you of the following important extracts from our Attendance Policy:

- The school day starts at **8.55am**, children are allowed to come straight into school after the gates open at 8.45am.
- Gates will be closed at 9.00am and any child arriving after that time should be taken to the school
  office where parents/carers will be asked to complete the late register.
- Registers are marked by **9.10am** and your child will receive a late mark (L) if they are not in by that time.
- Registration closes at 9.30am and if your child arrives at school after this time they will receive an unauthorised absence mark.
- The school day ends at 3.15pm.

Thank you for your continued support

## **End of Term**

Term ends on:

Friday 24th May at 3.15 p.m.

We return to school on:

Monday 3rd June

## Mindfulness Garden

church of England Primary Academy
Parents, Teachers &
Friends Association

Our incredible PTFA team have been working hard over the last couple of years to raise funds for a Mindfulness Garden for the children to enjoy. We are absolutely thrilled to announce that work on the garden will begin during the May half-term.

Watch this space!
