2nd May 2024

Dear Parent/Carer,

**YEAR 5 VISIT TO THE NATIONAL SPACE CENTRE, LEICESTER
THURSDAY 13TH JUNE 2024**

As part of our Space topic, we have arranged for Year 5 to visit The National Space Centre, Leicester on **Thursday 13th June**. We will be joined by our peers from Colsterworth C of E Primary School.

The Space Centre has a wide variety of interactive hands-on galleries for children to explore including topics such as: How are stars formed? What is gravity like on other planets? What is it like to be an astronaut?

Also included as part of our visit will be a Planetarium Show. Children will be able to experience one of the most amazing shows all about space in the 360 degree Planetarium.

We will be leaving school promptly at 8.10 a.m. so please ensure that your child is at school for registration by **7.55 a.m.** We expect to arrive back at approximately **4.20 p.m.**

Children should wear normal school uniform and bring with them a packed lunch, a snack and two resealable drinks (not fizzy please).

We are asking for a voluntary contribution of £21.00 per child, in order that this visit can go ahead. Payment should be made via ParentMail +Pay by **Monday 10th June 2024**. Please be aware that the visit will not go ahead without sufficient support.

When deciding whether or not to run such an event, consideration has been given to the increased pressure on family finances due to the current economic climate. Please do let us know if you require any additional support in this respect by emailing BEP.enquiries@abbeyacademies.co.uk

We are all looking forward to a very enjoyable day.

If you have any queries, please don't hesitate to speak to me.

Yours sincerely

E Hornsby
