

Magical Maths!

We will be exploring number and place value at the start of term and using lots of practical equipment to make numbers to 100. We will continue to practise counting in 2's, 5's and 10's and begin to count in 3's! We will then start our addition and subtraction unit and learn a range of methods including the column method!

Special Visits

We will be visiting Lincoln Castle to find out what it was like to live in a castle! We will think about why Lincoln Castle is important to our local area.

RE

Exploring Islam, what it means to be a Muslim and how Islam impacts on daily life.

Music

Understanding pulse and rhythmic notation, producing and performing.

Science

Understanding the basic needs of animals, including humans.

Epic English

Looking at stories, exploring characters and familiar settings and beginning to think about poems that we enjoy and why!

PE

'Fundamentals' PE skills.

DANGER! DUNGEONS AND DRAGONS!

Computing

E-safety, computing systems and networks, and digital photography

Art and DT

Colour, shape and texture in drawing, painting and collage.
Design and make a vehicle.

Year 2
2024-25

History

Exploring medieval castles, how and why they were built, what it was like to live in them, and why they were important.

PSHE

Jigsaw—being me in my world

During this exciting topic we will be studying some of the Spiritual, Moral, Social and Cultural (SMSC) aspects by listening to our peers' ideas on Election Day and voting for our new School Councillors. In History, we will be exploring why castles were built. In RE, we will be comparing similarities and differences between how Muslims live their lives and how we live our own.

Our Christian values this term are 'Respect and Reverence' linked with 'Creation and Creativity'. In term 2, they are 'Peace' linked with 'Friendship and Fellowship'. Our Character Education trait is Motivation.
