Would you choose the streets or the workhouse? A text study of the fabulous children's book 'Street Child' by Berlie Doherty.

During this topic we will be studying some of the Spiritual, Moral, Social, Cultural (SMSC) aspects of Victorian Britain by studying life in the Victorian Workhouses and the work of Dr Barnardo. We will be studying "Street Child" by Berlie Doherty as part of our Victorian learning. This will help us to develop an appreciation for how lucky we are and how all children have the right to be protected from harm.
