

Term 3

London's Burning, Fetch The Engines!

Term 4

What's for Lunch, Bert?

In English during Term 3 we will be writing our own Great Fire of London adventure story, and writing a recount to describe to our grown ups our incredible Partake Theatre workshop experience! In Term 4, we will put ourselves in the shoes of Mr Grinling and write a diary entry. We will also write a recipe for a disgusting sandwich that will keep those pesky seagulls away!

In term 4 we will become Geographers, ready to learn about the different hot and cold places around the Earth and the effects that the Equator has on these. We will consolidate our knowledge of the oceans and continents.

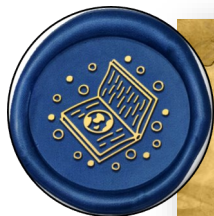

In science in Term 3 we are honing our scientific skills by exploring materials and their uses. We will then use our knowledge about the properties of materials to design a new suit for the fantastic Traction Man! In Term 4, we will be starting to think about how different plants grow and what they need to survive.

This term our Christian Value is Perseverance, and we will revisit Courage. Across terms 3 and 4 in RE, we will be learning about Thankfulness and exploring the different ways that people say thank you around the world. We will learn about and compare Harvest festival celebrations, then we will focus on the ways that people of a Jewish worldview say thank you.

In maths we will consolidate our addition and subtraction skills before moving on to our money unit. We will identify coins and notes, count in pounds and pence and find different ways to make the same amount. Throughout our multiplication and division unit, we will be counting in 2's, 3's, 5's and 10's to become fluent with our times tables. We will then go on to find fractions of shapes, amounts and numbers using thirds, halves and quarters.

In history during Term 3, we will be transported back to London in 1666! We will be sequencing the events of the Great Fire, as well as comparing London now and in the past. We will be exploring the monarchy and looking closely at the accuracy of sources of evidence we have for the Great Fire.

Please continue to bring in your named PE kits with indoor and outdoor clothes.

Remember to keep reading at home. Use the reading dogs in your diary to help you answer questions about what you have read! If you read 10 times you will get dojos, and if you read 25 times you will get a dip in the box!

Remember
our door is
always
open!
